TWISTED TALES FOR TERRIBLE CHILDREN...

Told By Gav Cross

STORIES OLD & NEW

Scratch the surface of all the tales we have heard since childhood and we find they are dark, nasty and full of dubious intention...

A slight twist reveals the terrible, the silly and the downright incredible 'truths' hidden in plain sight.

IMMERSE THE AUDIENCE

Gav Cross: Storyteller; Show Off and Chief Idiocy Wrangler for Funny Looking Kids: Comedy Club - brings these old fables to life again vividly. You'll have heard these stories before but not told this way!

A loud hour of nonsense and nastiness that will trigger giggles and gasps, with the added risk of ruining your childhood forever... Recommended for 7+ and the under 100's. 1hr.
